U.P.H.A. Exceptional Challenge Cup Class Specifications

- Open to all English equitation riders twelve years of age and over, with a mental or physical handicap, riding a mare or gelding of any breed. The trot must be a true two beat diagonal gait.

U.P.H.A. Exceptional Challenge Cup Class Specifications (cont.)

- Open to walk and trot riders only. Rider must never have been judged in a class at a recognized or non-recognized show that required a canter. Tournament and Academy classes are considered non-recognized shows.
- A first place win in an Exceptional Challenge Cup Class does not eliminate the rider from further competition for the remainder of the qualifying season.
- English equipment shall be used (i.e.; saddle seat, hunt seat, dressage). They may also use protective and adaptive equipment necessary to them and to the division in which they show as long as it conforms with the U.S. national rules governing riders with disabilities.
- In the National Championship all exhibitors must work as a group (or in groups) of twelve (12), unless show management feels there is a safety issue, as such time management reserves the right to split at eight (8) to ten (10) riders. Riders will compete on the rail at a walk and trot both ways of the ring, line up and complete an individual workout. If a class is divided because of size, it will be split by every other number. If division(s) of the class is necessary, each section will perform both rail work and the individual workout before calling the next section. Riders will remain in the line-up inside the ring throughout the individual workout portion of the class.
- To be judged on the rail and in a mandatory individual workout at a walk and trot only. Correct diagonals shall be taken into consideration on the rail and in the individual trotting serpentine workout.
- Judging in all UPHA Exceptional Challenge Cup classes is based 60% on the rail and 40% on the individual workout.
- The mandatory workout in all qualifying competitions is: “Trot a serpentine to the opposite end of the ring. Return down either rail at a show/extended trot.” Judges are not permitted to alter the mandatory workout in any manner. (For the sake of definition, a serpentine is: “a series of half-circles performed along an imaginary straight line,” a show trot is “the degree of speed, collection, and animation that your horse performs to look its best,” and an extended trot is: “a bold energetic, balanced and ground covering trot with a definite lengthening of stride resulting in an increase of speed without a sense of racing or straining”.)
- In all qualifying classes, the top four (4) riders MUST be asked to perform the prescribed mandatory individual workout; more may be worked at the judge’s discretion.
- UPHA Exceptional Challenge Cup judging specifications are to be read by the announcer as the riders enter the ring. After the riders have been judged in both directions on the rail they will line up on one side of the ring. At that time, the announcer shall read and repeat, twice, the mandatory individual workout.
- Trophy and eight (8) places shall be awarded with participation ribbons going to the remaining entries in the class. The top six (6) places shall qualify for the National Championship at the American Royal in Kansas City, MO.
- One (1) handler per entry shall be permitted in the ring to facilitate the safety of the rider. Handlers shall stand quietly as a group in a designated area of the ring unless their assistance is required and requested by the judge(s) or ringmaster, and in accordance with the U.S. national rules governing competitors with disabilities
- Winners of the Exceptional Challenge Cup Finals shall be eliminated from further competition after three (3) consecutive or non-consecutive wins of the Finals class.
- The UPHA Exceptional Challenge Cup class shall be conducted under the express ruling of the Competition Association of North American Riding for Handicapped Association (CAN), the United States Cerebral Palsy Athletic Association (USCPAA), the national governing body of Special Olympics Committee, in conjunction with the United Professional Horsemen’s Association, Inc (UPHA).
