July 2011

## July President's Letter

With July almost here, I'm reminded of the saying that "if it's the 4<sup>th</sup> of July, Christmas is just around the corner"! I hope everyone is adjusting to the heat and humidity that arrived after all the rain finally stopped.

May was a busy month with four horseshows. June 5 was the day of our annual Car Show and Community Day. We were blessed with good weather and a successful day. My thanks to both the Car Show and Coming Events committee and their volunteers who did a wonderful job organizing and coordinating both events on the same day. It was great to see all the activity!

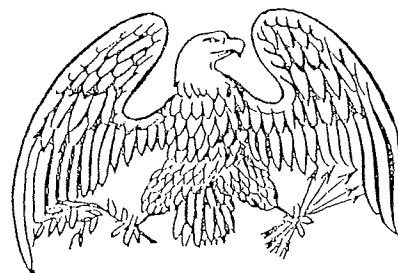

Thanks also to all the members who gave to our annual appeal! Your donations made it possible to repair and paint roof panels on Barns 4 & 6 and repaint the ends of Barn 3 & 4. We also have repainted starter sheds at the Main & Hunt rings, the gazebo in the main ring and fences for the main & lower Hunt ring. Also the majority of rail standards & jump cups used for the fun shows have been repainted.

The grounds crew has been busy mowing grass & cleaning show stalls. The end of May we put away 1160 bales of hay. Work is now starting on building jumps for the Cross Country Schooling Course. This course will be in areas on the north side of the property on both sides of the creek that are also used as hay fields. Riders can use this course all year long when weather permits.

Just a reminder, coming in September will be our Fall Hunter-Jumper and All Breed Horse show. Come out and join us for wonderful; competition and beautiful horses.

I hope you all continue to enjoy the summer months and have a wonderful 4<sup>th</sup>!

See you at the Club!  
Nancy E.. Bunch

On the Rail .....

Believe it or not, all the rain has not washed Quentin Riding Club away! The grounds look beautiful, grass does like rain and the flowers add a nice touch of color around the clubhouse and grounds.

All of our horse shows to date have been very pleased with the grounds and July will be another month of horse related activities. We have an Open Pleasure Show on July 9, July 10 will be the IBRA Barrels & Poles Show, our regular Wednesday Night Fun Show is on July 13 and the Crossroads Tack Sunday Hunter Show is on July 24.

I hope everyone was able to come to the Quentin Riding Club Community Day, the cars were impressive, Flaming Dick and the Hot Rods were fun as usual and the Parade of Breeds was just great. It was so nice to see such a variety of cars, horses and people enjoying the QRC.

See you on the rail . . . . . Evalyn
